

## Against The Stigma Consulting Services

### Original Version

#### **ABOUT US**

Against the Stigma Consulting Services is one of the businesses that was created out of need. We understand how and why business owners are struggling to make it to the next task, the next opportunity, or the next level. With years of experience, in depth education, attention, and insights into their business from a professional perspective; ATS Consulting Services will help you make clear decisions to achieve the desired success you envision for your business.

#### What is Against the Stigma Consulting Services

Marketing, Consulting, and Advertising can be tough and almost a way of throwing money away; well that's the stigma at least. Here at Against the Stigma Consulting Services - we want to do just that - GO AGAINST THE STIGMA! Let us show you how...

Understand Marketing, Small Business Consulting,

Administrative Services, and Advertising should be a thing of affordability, money well spent, and results. We specialize in making a personal experience and giving proven results that have worked time and time again. Small Business Consulting from B2B is known to be too expensive but with ATS Consulting Services, we make it affordable and realistic.

### Importance of Black-Owned Businesses & Community

We value our community. Being a black-owned, minority owned, as well as woman owned business is difficult in these times where the big box brands will gladly push you out of your industry. We focus on making sure we take care of our own. Through services, free webinars, free consultation, and guest speaker opportunities, we want to make sure all people have the right access to the things that necessary for their business to stay afloat and vitally important for growth. More than having the services, it's important to have access to knowledge that is not common for our community. If there's nothing else we can do, we want to inform the uninformed. Black owned businesses providing B2B Business Consulting will become one of the leading services to be needed and provided to Black Owned Businesses. With all the technological advances we have access to at the tip of our hands, only knowledge is the barrier between action and results. We will look into your marketing issues, change you advertising to market the correct customers and consult with you step by step through the process.

We provide the guidance you need to get to the places you want to go.

From Google Analytics, Google Adwords, Web Service Platforms, Social Media, Newsletter Subscriptions, and Personal One-on-One Evaluations, or even just a Personal Administrative Assistant for the day - we want to always give you something you will not be able to find in too many others places. We take our time to show and adjust to your specific business needs and overcome any obstacles that have been in your way previously. We value what we do and most of all we care about our customer's personal and business success. Time consuming it may be, tough it might be at first, but we always believe that working hard today can bring long term success tomorrow.

## **Edited Version**

### **ABOUT US**

Against the Stigma Consulting Services is one of those businesses that was created out of need. We understand how and why business owners struggle to make it to the next task, the next opportunity, or the next level.
